COMPANY INTRODUCTION

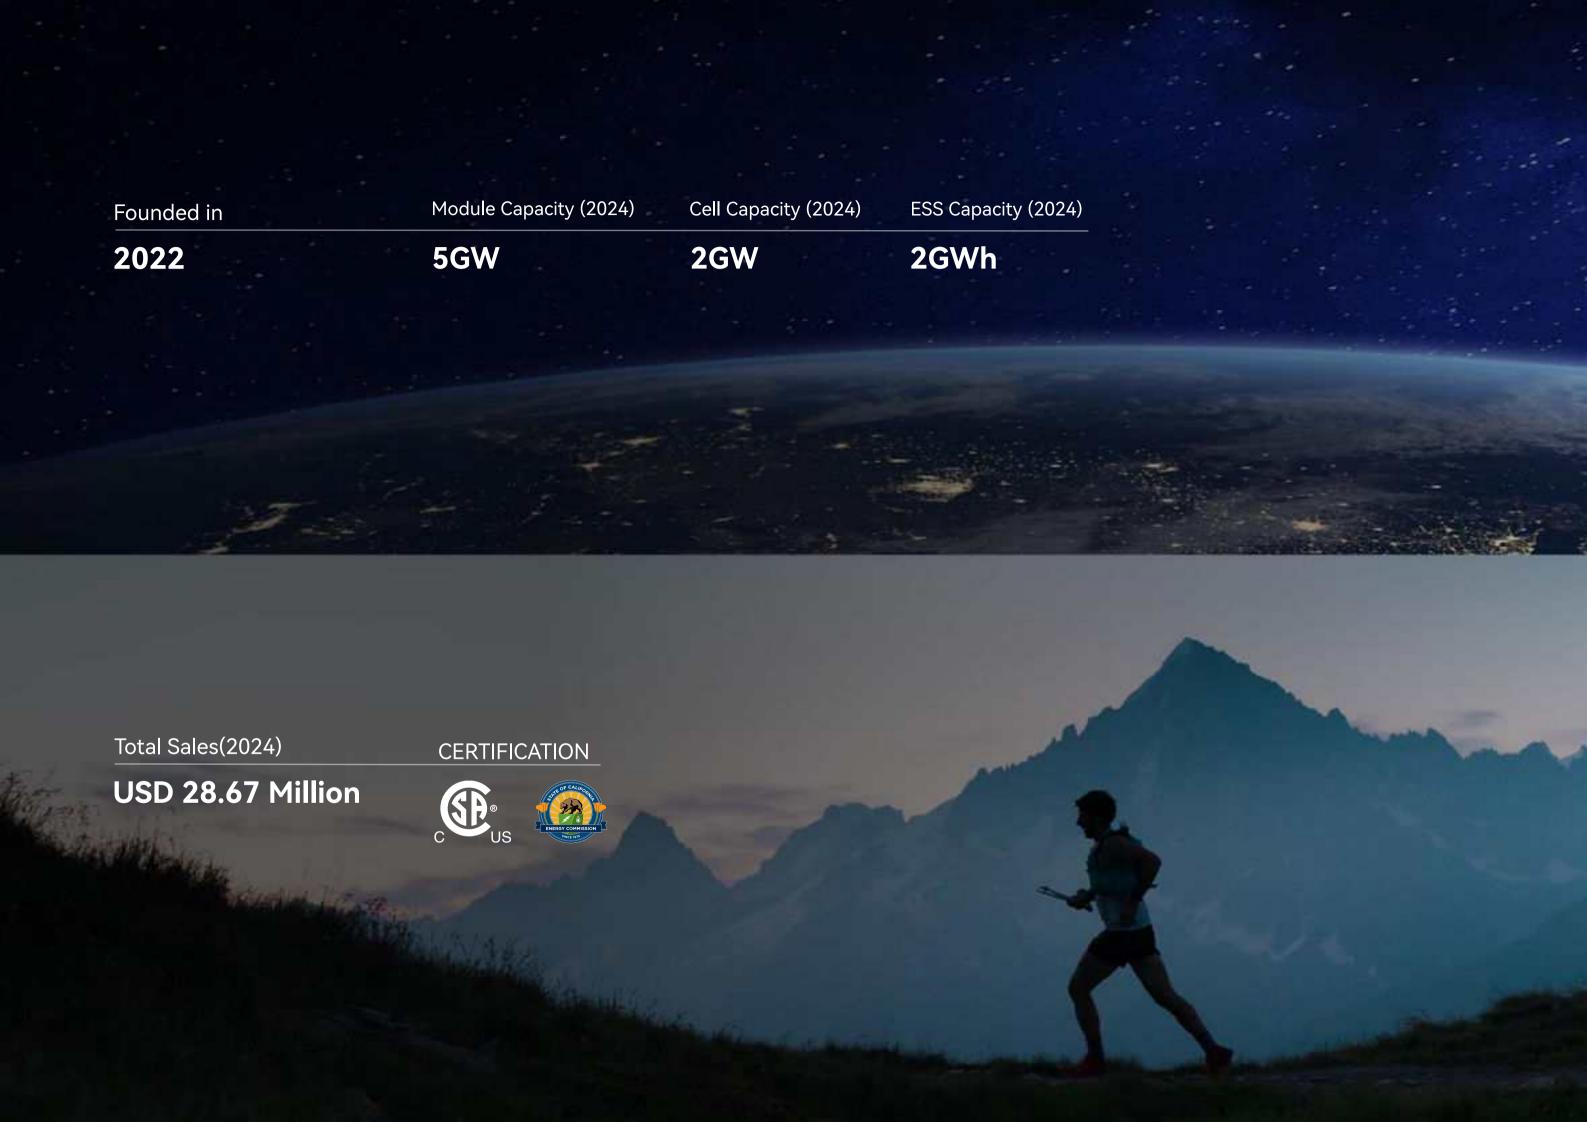

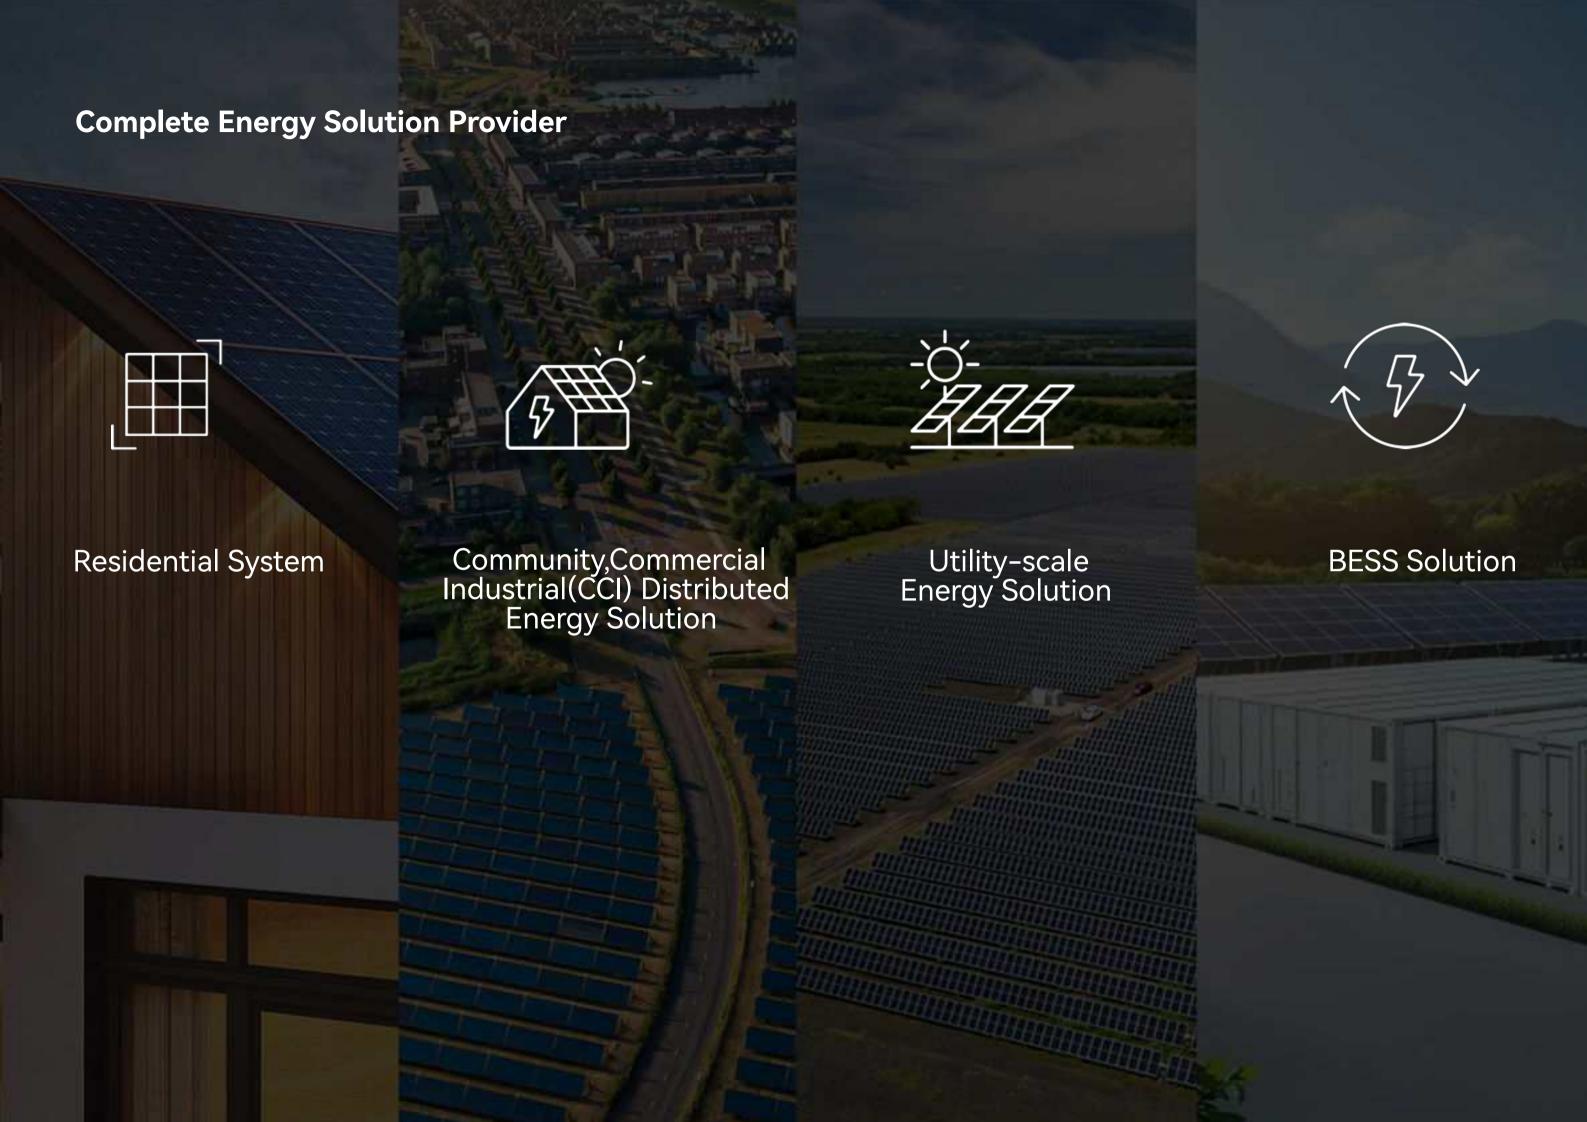

OUR OBJECTIVE: MAKING SOLAR ENERGY COMPETITIVE

To leverage continual PV innovations and continue to extend our supply chain in the global solar industry, while remaining a partner our customers can depend on.

Global Network

Sunplus works closely with global R&D and manufacturing sites to deliver the highest level of quality in manufacturing, sales and support.

1

Headquarters

NY, U.S.

2

R&D Centers

Singapore, China

4

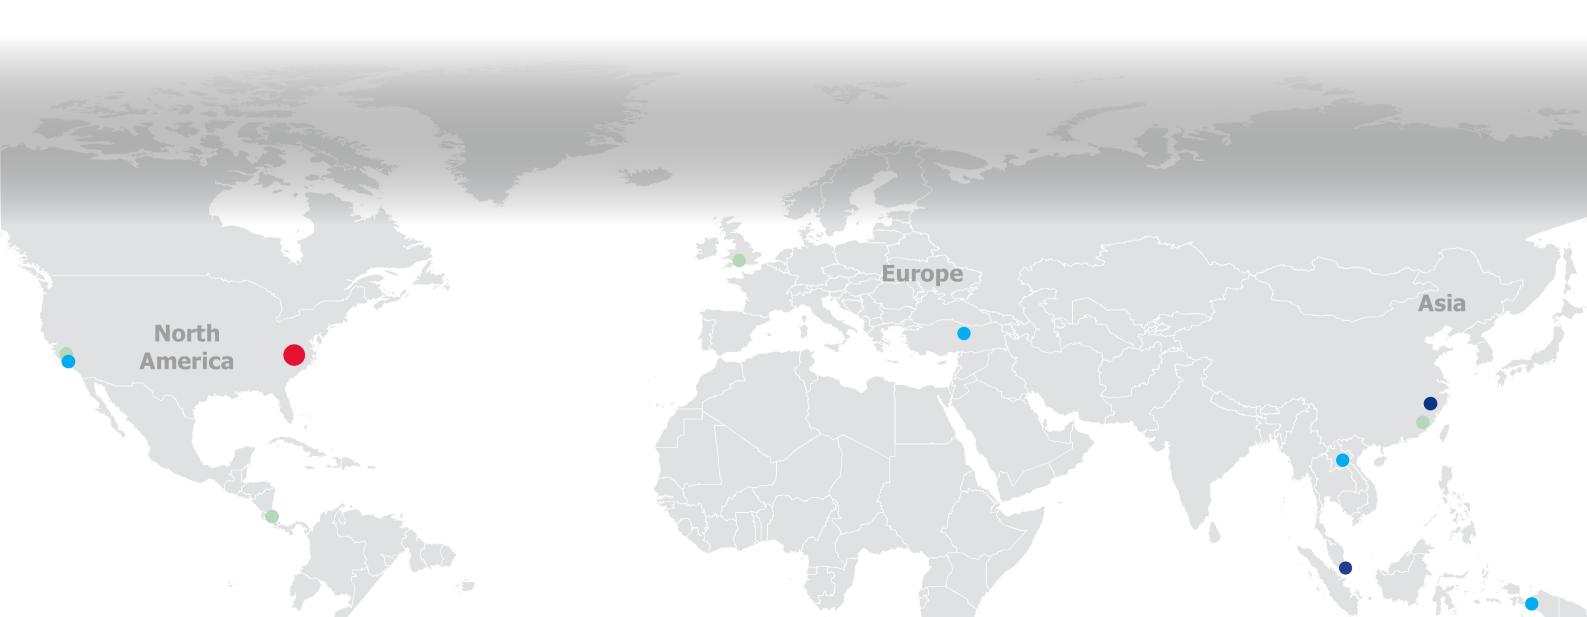

Manufacturing Sites

Laos,Indonesia,Turkey,U.S.

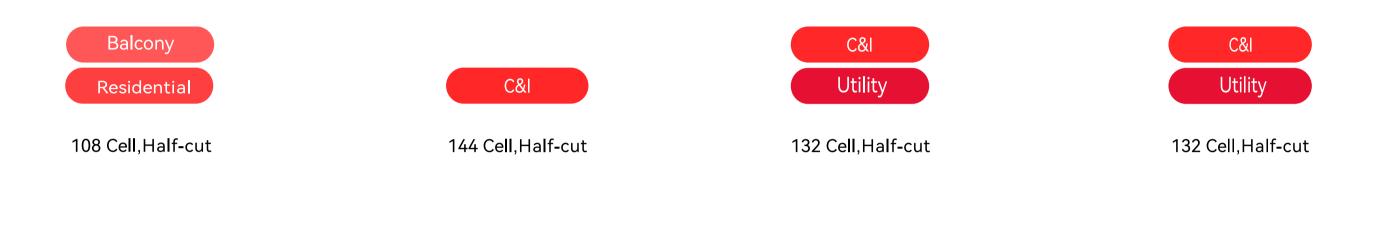

4+

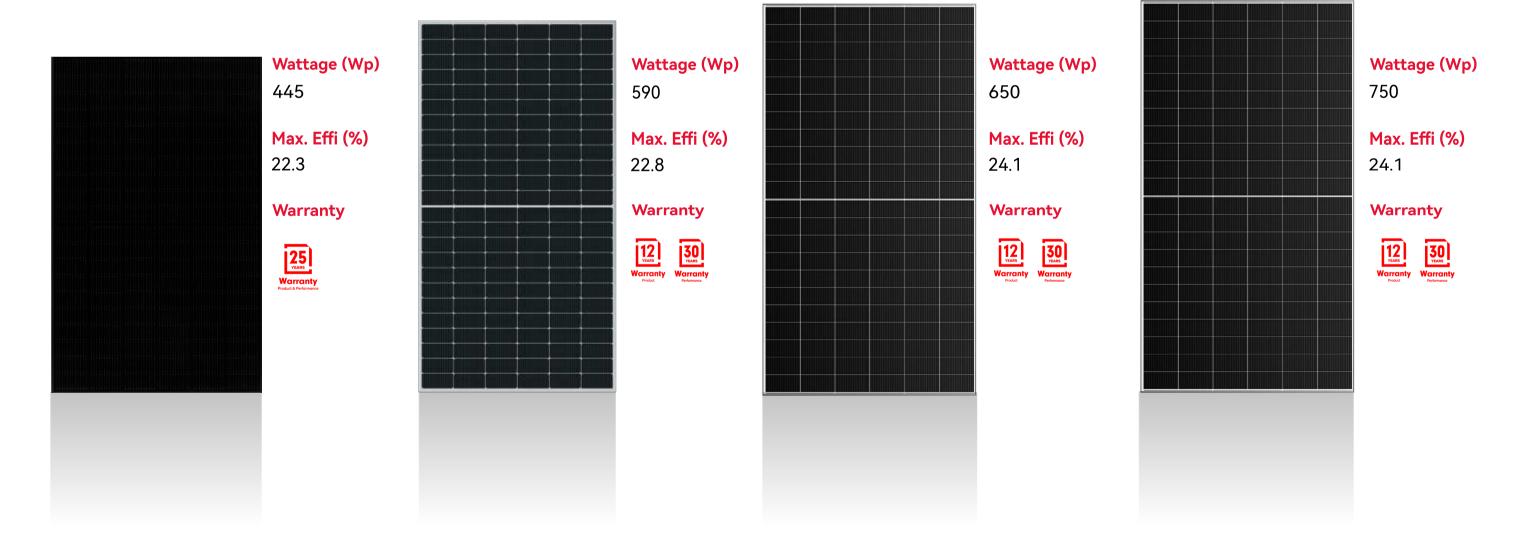

Global Sales Network

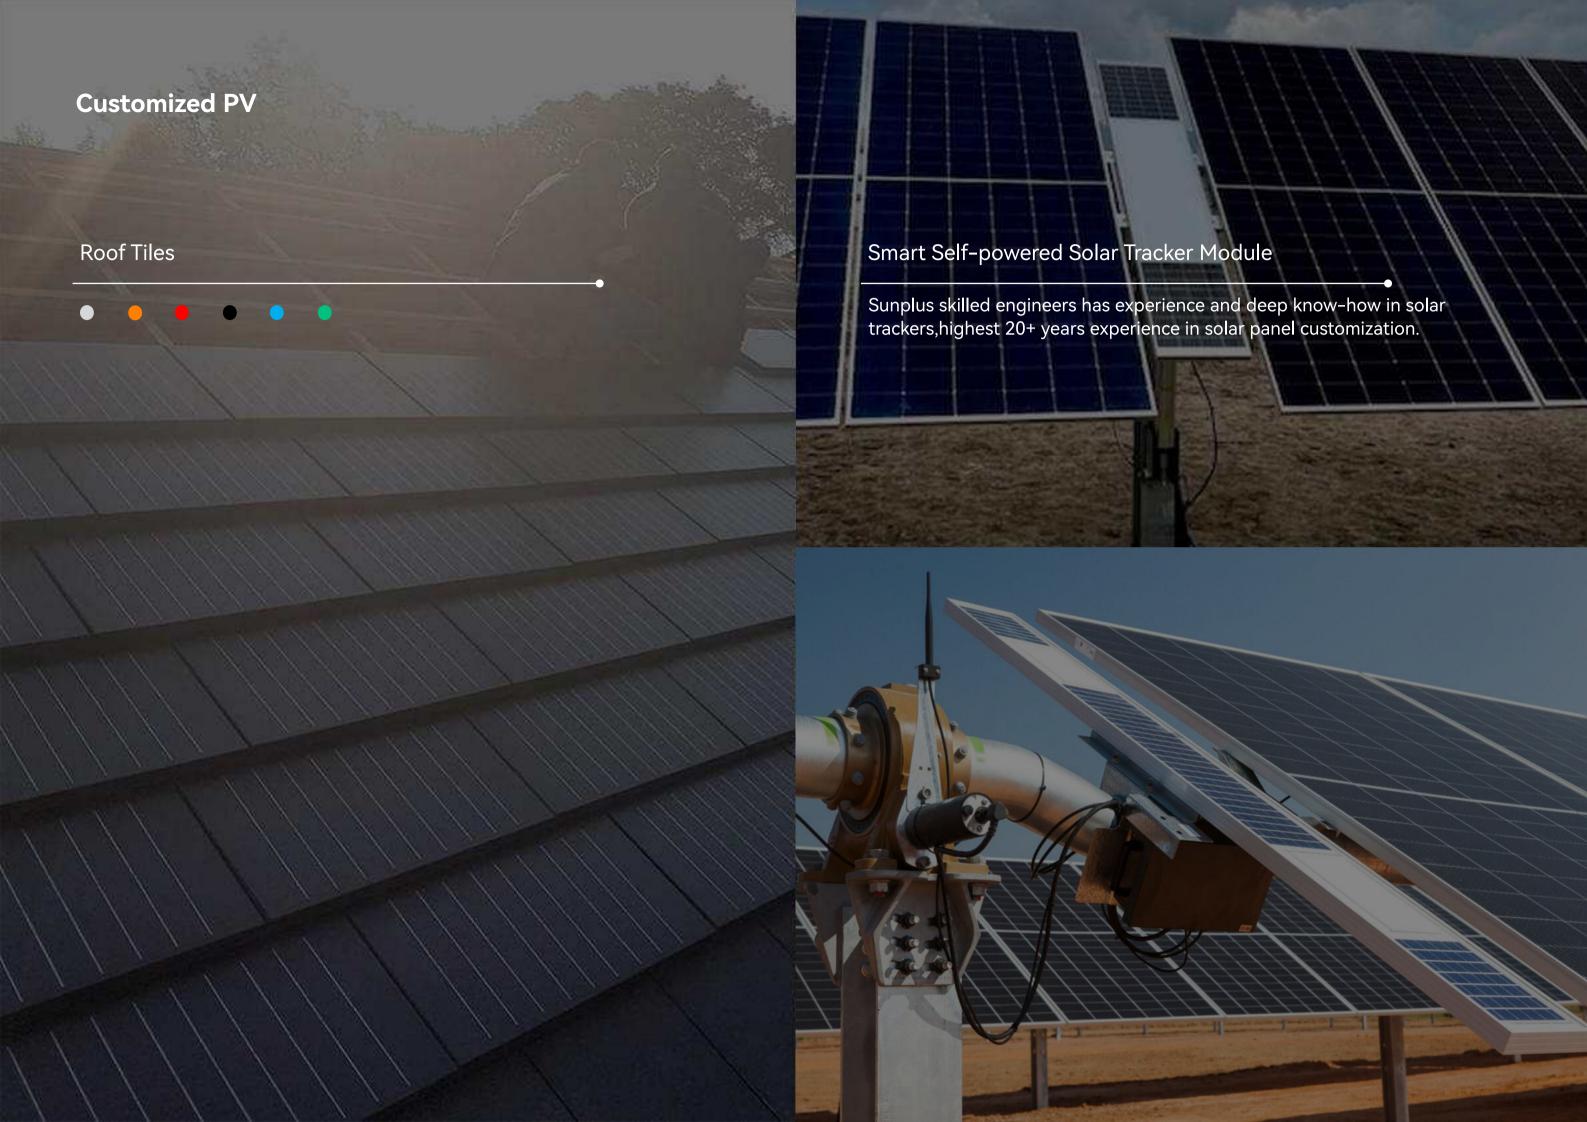

North America, Mid America, China, Europe

Sunplus's Mainsty Products

SunCore Pro All-in-one Solution System Capacity Inverter 5-90kWh 7.6kW Save 70% wiring time

SunCore Smart Energy Cabinet Solution

Liquid cooling

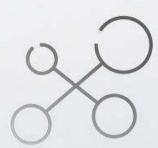

215 kWh ~ 522 kWh

Scalable Capacity

maintaince

Utility Energy Solutions

Sunplus provides modules and energystorage system(ESS) throughout North America.

CCI Energy Solutions

Why Sunplus?

Tier 1 level

Sunplus brings Tier 1 product bill of materials, and modules manufacturing following Tier 1 process to ensure optimal durability and performance.

Engineering Service

Sunplus' Engineering team comprises accomplished engineers with many years of experience designing distributed generation ground, roof and carport projects globally.

Quality

Quality is built into everything we do. Rigorous quality standard are set and controlled throughout engineering, procurement and construction.
